14 September 2004

*Mr. Mike Witz
Whitewater Canal Trail Committee
P.O. Box 126
Brookville, IN 47012*

Dear Mr. Witz,

We, the Franklin County Convention, Recreation, and Visitors Commission, approve of the Whitewater Valley Canal Trail project that was proposed to our committee July 27, 2004.

Hopefully this project will proceed as planned and be under development soon so visitors and residents can take part in the many benefits that the trail will offer.

Keep up the good work and let us know how we can be of assistance.

President

Vice-President
