Dear Mick,

The Whitewater Canal State Historic Site supports the Trails Project and we hope to work closely with our neighbors to make this dream a reality for all patrons of our area.

Jay and Jim will be available to work with your group so please feel free to contact us if we can be of any assistance.

This grass-roots movement is heartening to see and we hope the cultivation of many people coming together will bear a fine harvest for us all.

Sincerely,

A handwritten signature in black ink, appearing to read "William Jay Dishman".

William Jay Dishman
